The Secretary to the Government of

SIR,

I have the honor to submit herewith letter No. 1044 dated 14th December 1912 from the Census Superintendent in Mysore (addressed to you through this office), recommending suitable appointments and promotions to the clerical establishment of his office in recognition of the good work done by them in the Census Department, and to state as follows:-

It is satisfactory to note that the officials have done good work and justified the higher pay that they drew while in the Census office. Their good work will, of course, be noted. It must be remembered, however, that there are equally good and even better men here and in the Districts who would have done equally well and better too in the Census Department. It is not that I am opposed to the Census Superintendent's appreciation of good work but am only pointing out that the special work was paid special pay.

I have the honor to be,
Sir,
Your most obedient servant,

Revenue Commissioner.

Maharaja of Mysore, General & Revenue Departments, Bangalore.

Through:- The Revenue Commissioner in Mysore, B a n g a l o r e.

Sir,

I have the honour to state that, as the work of the Depart ment is fast approaching completion, I deem it opportune to make the following recommendations on behalf of my Office clerical establishment sanctioned in Proceedings of Government Nos. Fl.4542-7/ Cen.4-09-2, dated 14th March 1910 and Fl.6191-5/Cen.16-09-2, dated 13th June 1910, and revised in Government Order No.Fl.5615-6/Cen. 14-11-4, dated the 29th June 1912. The recommendation in the case of Assistants has been made in my letter No.971, dated 27th Septem ber 1912.

2. S. Sita Ramaiya who was appointed by Government in their Proceedings No.Fl.4542-7/Cen.4-09-2, dated the 14th March 1910, has been my Head Clerk from the beginning. He is getting Rs.90 a month He is a graduate and has passed the Revenue, Criminal, Civil Parts I and II, Accounts and Precis-writing Tests. It will be seen from my acknowledgments in the last para of the Introduction to the Census Report that he has worked well in this Department. On a separate recommendation from me in my letter No.532, dated the 8th February 1912, Government stated in Secretary's letter No.Fl.4371/Cen. 4-11-2, dated the 10th April 1912, that "his claims to permanent promotion in the Revenue Department will be considered in due course in connection with the filling up of vacancies in the grade of District Sheristedars or Amildars". I understand that his name has been included in the list of candidates eligible for Amildari and

and Deputy Amildari for over six years. He has managed the work of the Office with tact and success. He has helped me in the issue of the Census Procedure Code in English and Kanarese, in checking the Imperial Tables and compiling the Index of Occupations, etc., and was mainly responsible for the correc-tion and passing of the proofs of the Report, Imperial Tables and the Administrative Report, thereby earning the encomium of the Press Superintendent, Mr. C.H. Yates. I solicit early orders of Government showing their appreciation of his good work.

3. H. Venkataramaiya, Deputy Clerk on Rs.58/- a month is also a graduate and has been in the Department from the com-mencement. He has passed the Revenue, Criminal and Accounts - Examinations. He was selected from the Revenue Commissioner's Office and has put in a service of over 12 years. His good work in this Department has also been referred to in the last para of the Introduction to the Census Report. In October 1911 when he was getting Rs.50/- here, the First Assistant as directed by the Revenue Commissioner, wrote to me demi-offi-cially if his services could be spared for being sent to Kolar as Revenue Head Munshi of the District. I wrote in reply that as I was rather doubtful of getting an equally good and expe-rienced clerk who would continue the work of Venkataramaiya, he should be appointed Head Munshi and seconded for duty in this Office, as otherwise his interests would suffer; but this sug-gestion does not seem to have been acted upon. He is an intel-ligent and hardworking official and was of great help at all stages of the Census work and more particularly in compiling the Caste Index, the Special Industrial Statistics and in the checking of the Subsidiary Tables. As he is now getting Rs.58/ a month, he may be given suitable promotion in recognition of his good work.

4. (i). The third clerk H. Narain Rao, now on Rs.30 per mensem, has passed the Vernacular Branch of the B.A. Degree Examination and also the Departmental Examination of the Forest Department. He is the third clerk of the Mysore District

District Forest Office on Rs.24 (in 20-1-25) a month and was taken to this Department in April 1911. He is a good Office clerk.

(ii). Fourth Clerk K.G. Ramaswamaiengar, now drawing Rs.20 per month, holds no permanent appointment. He has passed the Shorthand and other Commercial Examinations in addition to passing the Lower Secondary Examination. He knows typewriting and has successfully undergone training in the Excise Training School, besides passing the Local Service Excise Examination. He is an attentive and intelligent clerk.

(iii). Record Keeper B. Krishna Rao, whose pay is Rs.39/- per month at present, has passed the Vernacular Branch of the B.A. Degree Examination and the Revenue -- (Higher) and Handwriting and Dictation Tests. He holds the permanent appointment of Judicial Deputy Munshi in the Kadur District Office and has given me satisfaction in executing the heavy typing work in the Office - with promptitude and neatness.

(iv). Clerk G. Srinivas Rao, on Rs.32/- a month, is the permanent Head Gumasta in the Sidlaghatta Taluk Office He was selected on account of his experience of the Census of 1901. He has, in addition to passing the Madras Middle School Examination, passed the Revenue (Old Rules) and -- Accounts (Higher) Tests. He was of great help to the Office in maintaining the Records well and in checking the General Village Registers received from the Districts.

All these four officials have done good work and I recommend that they may be given appointments carrying salaries of not less than the amounts they are now getting in this Department.

5. As the Government are aware, the work of this Office was rendered heavy in consequence of the Orders conveyed in Proceedings of Government No.Fl.4775-7/Cen. 40-10-2, dated the 10th March 1911, directing that the

the Census Abstraction Office and the Census Head Office should be worked as one office. My Office met the increased work cheerfully. As explained in my letter No. 719, dated the 24th April 1912, it is rather difficult to procure the services of efficient hands for work in a temporary Department like the Census where the work is exacting. The Officials in the Head Office assisted me in organising and equipping the Abstraction Office, in the checking of Imperial and Subsidiary Tables and in collecting information and statistics for the drafting of the Census Report in addition to their ordinary Office routine work. They thus deserve special encouragement. I have no hesitation in stating that, but for their zealous co-operation throughout this long period, the Report and Tables would not have been issued so promptly and that the expenditure of the Census Department would not have been kept so low as it has been.

6. Under the fore-going circumstances, I solicit early Orders of Government in the matter as a compliance with my recommendations would be alike a recognition of useful services rendered and an incentive to others to render similar exemplary services.

I have the honour to be,

Sir,

Your most obedient servant,

Census Superintendent.
